

Knowing your
inside wiring is
protected....now
that's something
to smile about.

BASIC GUARDIAN

ITS Basic Guardian Protection Plans

Protection for your inside wiring and more!

Plan	Monthly Charge (per line-first five lines)	Monthly Charge (per line- six or more lines)
Basic Guardian	\$3.50	\$2.00
Basic Guardian - Extended	\$5.50	\$3.00

Benefits

- Protects against unexpected repair costs
- One call to get prompt attention and service
- Provides experienced technicians to service your inside wiring and jacks

Basic Guardian offers reliable protection for a nominal monthly charge per business line. Coverage includes diagnosis and repair (including labor and materials) of the inside telephone wiring and jacks that provide your ITS dial-tone services. Technicians dispatched, for work, if required Mon-Fri 8am to 5 pm.

Basic Guardian - Extended offers the same reliable protection as the Basic Guardian with extended technician dispatch hours for a small monthly charge per business line. Technicians dispatched for work, if required Mon-Sat 6am to 7pm.

To learn more CALL 1-800-876-4ITS (4487)
or visit www.its-omni.com

Set-up fees apply - (\$3.50/line). Must be added to all lines provided by ITS.
