## *Hot Tip #32: Print, Email and Web to FAX! Electronic Faxing Does it All!*

### ITS FAX

Did you know that with today's electronic FAX technology you can eliminate the need for a physical fax machine, thus eliminating the need for the analog line to support it? Electronic faxing allows you to send any document that is available in an electronic format, to any fax machine in the world - all from your PC. Imagine not having to walk to the fax machine to send a fax or stand by the fax machine to wait for an incoming fax!

Are you interested in realizing the benefits of the latest in faxing technology?

By switching to electronic faxing you can:

- Save money by:
  - Eliminating your dedicated analog line
  - Doing away with the fax machine lease or rental
  - Reducing or eliminating fax machine maintenance and supplies
  - Easily eliminating junk faxes
- Improve Efficiencies through:
  - Increased privacy and security
  - Managing faxes online
  - Improved confidentiality - faxes come right to your email
  - Send and receive faxes from anywhere you have a PC and internet connection

- Maintaining the same back-up storage rules and security as your email
- Print to fax (using the "File -> Print" function in any document)
- Email to fax (fax just as you would normally email)
- Web to fax (fax online documents though a secure web portal)

With the ITS Fax all of the above benefits are available at a very affordable price! ITS Fax users are able to conduct important business matters from all over the world while maintaining the peace of mind that their faxes are accessible and secure.
