

Hot Tip #6

Want more alternatives for paying your bill?

Pay via Checking Account

over the phone - Call 805-520-7020 or 800-876-4ITS (4487) and provide the following information:

- Name of bank
- Check #
- Amount of payment
- Account number
- Routing number

Pay via Credit Card

over the phone (we accept American Express, Visa, Mastercard and Discover)

Call 805-520-7020 or 800-876-4ITS (4487) and provide the following information:

- Name on card
- Billing address
- Type of Card
- Security code on card
- Amount of payment
- Account number
- Expiration date

Pay via email - although not the recommended method because it is not secure, you can send payment information (details outlined above dependent on payment type) for payment via email to dcastelli@its-omni.com

Pay on-line via ITS Customer Portal - go to www.its-omni.com/login and login. Then you can either choose to pay only the current invoice on-line by selecting Make a Payment (under Invoices) or you can set-up your account for automatic payments by selecting Automate Payments in the Profile section and following the instructions to enroll.

If you don't currently have a login to the ITS Customer Portal or forgot your password, please call us to assist you at 800-876-4ITS (4487)

Send to a Colleague

ITS realizes that these days all businesses are looking for ways to save money any way they can. In response to this, ITS has put together this Hot Tips weekly mailing with the goal of providing our customers tips on how to save money or improve efficiencies in their business. You can look forward to a new Hot Tip in your mailbox every week.

At ITS, we truly value our customers and are committed to helping you with your communications and networking solutions by being your telemanagement expert so that you can focus on what you do best and not worry about technology getting in the way. If you have ideas you would like us to explore further or would just like to send us feedback, please send an email to HotTips@its-omni.com.

Free NetGroomer 30-Day Trial

Is your network connection too slow? Are you frustrated waiting for information to download?

There are a couple of possible reasons for a slow network. If you believe you have enough bandwidth perhaps it is the way people are using the network. Either way, the ITS NetGroomer Solution can help. NetGroomer helps you determine where your bandwidth is being used and allows you to set priorities so your business applications get what they need fast!

Call today to see if you qualify for your NetGroomer 30-day trial. 1-800-876-4ITS (4487) www.its-omni.com
