

January 2012 Web Special !!

Is your business
covered in the event
of a disaster??

***Will your business survive a major or even minor natural disaster?
Is your business prepared for the wrath of mother nature?***

Disaster can strike at **any** time. Or, **anywhere**. As a business owner, you need to have a *quick and easy* way to communicate with your employee's in an emergency situation. ITS can help by providing a simple, inexpensive way for you to do just that, with **Disaster Recovery Voicemail**.

This voicemail box provides a method for employees to find out where, or how, to report to work and what is expected of them in the event of a business affecting disaster. Customize the message to provide any additional, business specific information that you need conveyed in the event of an emergency. To listen to sample DR Voicemail messages, please visit:

www.itstelecom.com/drvm

**Purchase a
Disaster Recovery
Voicemail Box
and we will
WAIVE ALL
SET UP FEE's!!**
