ITS – Integrated Telemangement Services, Inc. again Named to the 2011 INC 5000 List of America’s Fastest Growing Companies

For the second consecutive year ITS – Integrated Telemangement Services, Inc., made it on to this prestigious annual list.

Simi Valley, California – September 13, 2011 ITS – Integrated Telemangement Services, Inc., a leading provider of complete communication solutions for small medium businesses in California, announced today that it has been named to the 2011 Inc. 5000 list of America's Fastest Growing Companies. The company was ranked as number 4455 on the Inc. 5000's annual list with a three year growth-rate of 19 percent. This was the second consecutive year that ITS – Integrated Telemangement Services was part of this prestigious list. In 2010 ITS was ranked number 4093.

"We are proud to be named to the 2011 Inc. 5000 List of America’s fastest growing companies for the second year in a row," commented Sharon Woods, President and CEO of ITS. "This recognition speaks to the hard work and dedication of all of our employees who are focused everyday on providing our customers whatever it takes to ensure they are extremely satisfied with ITS products and services. When customers call we answer the phone with a live person that can help them. These are just a couple of things that really set us apart from our competitors and allow our business to continue to grow."

The 2011 Inc. 5000 is ranked according to percentage revenue growth when comparing 2007 to 2010. To qualify, companies must have been founded and generating revenue by March 31,

2007. Additionally, they are required to be U.S.-based, privately held, for profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2010.
